

"We all work together and it's easy to make friends"  
Michael, pupil

Scoil Ailbhe enjoys excellent home-school links. Staff and parents operate very effectively as a team. We create a supportive and friendly environment where children can flourish. Our school welcomes the involvement of parents in all aspects of school life and they assist with a wide variety of activities throughout the school year. Scoil Ailbhe has a very active Parent's Council and Board of Management.

"We feel fortunate that our sons attend Scoil Ailbhe. There are excellent teachers and strong leadership. The facilities are great, and there are a wide range of activities."  
Mary, parent

Seachtain na Gaeilge is also much anticipated for the creative way in which it focuses the entire school community on the richness of the Irish language and culture.

Arts Week is an annual favourite in our school. The arts have become the focus of an entire week in the spring or summer term. Creative areas explored have included storytelling, yoga, printing, dance, painting, drumming, theatre skills and a firm favourite - cookery!

Scoil Ailbhe prides itself on its inclusiveness, and we endeavour to cater for the needs of every child under our care. Our learning support and resource department provide comprehensive programmes to children of diverse abilities.

Gifted and talented students are encouraged to reach their full potential. Boys are facilitated and supported to pursue their own personal projects and enabled to access programmes for gifted students.

## We partake and excel in the following...

### FAMILIARISATION NIGHT

In September of each year, a night is held to familiarise parents with the daily running of classroom life. Each teacher meets his/her parent group and outlines the class programme for the year, and the individual routine of their son's classroom. This night has proven very beneficial to both parents and staff alike.

"There is a strong sense of community – staff are supportive, parents offer their skills and talents, and there are open, positive relationships between children and their teachers"

# SCOIL AILBHE PRIMARY SCHOOL THURLES

Scoil Ailbhe is a senior boys school educating students from 2nd to 6th class.

The motto of Scoil Ailbhe is "A Place to Grow", which reflects our passion for educational excellence, in a caring, happy and inclusive environment. A friendly, stimulating atmosphere exists, in which we aim:

- 🎯 to produce children who are **confident**, fulfilled, purposeful and independent;
- 🎯 to instil qualities of **leadership** and responsibility;
- 🎯 to awaken children's interest in all subjects;
- 🎯 to encourage a **love of learning**;
- 🎯 to nurture and encourage a distinctive **Christian spirituality**, whilst respecting those who have different beliefs;
- 🎯 to give children a love and understanding of the world, and of all they find in it.

Scoil Ailbhe celebrates diversity and values difference. The uniqueness of each boy's **gifts** and **talents** are developed and encouraged. This adds to the richness of our school community, and allows each boy to grow and achieve to his full potential.

Scoil Ailbhe has always been renowned for its love of music and singing. Our bright, well-equipped music room, provides an airy rehearsal space for our school choir, and the weekly instrumental sessions. Music plays an integral part of our concerts and liturgical celebrations.

All our 4th and 5th class boys participate in choral events including Peace Proms.

**Instrumental Music Programme**

Our exciting music plan involves expert weekly tuition for boys in every class. Boys begin with the **tin-whistle** and progress on to **violin**. The programme culminates with tuition in the **guitar** for senior classes. This happens on a weekly basis, within the school day. The school benefits from the musical expertise of visiting gifted teachers, whose passion for this programme knows no bounds. Our annual **Summer Recital** showcases all our talent.

The library is a hive of activity in our school! All classes visit the school library once a week, to borrow books, under the watchful eye of our passionate librarian, Ms. Eve Molony. The book collection is constantly being extended and updated, and has something to suit every taste. Outside of this, the library is visited by classes undertaking research, or just for some quiet reading time.

Physical Education & Sport

In Scoil Ailbhe we have a comprehensive physical education programme. The school is situated on extensive grounds and has a very large playground with eight pitches and two free-play areas marked out, a running track with full-sized playing pitch in Páirc Ailbhe. Included in our facilities is a large school hall, ensuring PE classes continue all year round. Throughout the year, all classes benefit from specialised coaching in hurling. Each class also undertakes a block of swimming lessons annually. Other activities offered to students include soccer, football, dance, yoga and athletics.

After-school training in Gaelic football and hurling takes place during the year, as the school partakes in the U-11 and U-13 blitzes and competitions. Our Hurling Yard League is a highlight in the school year, and the atmosphere for the final would be on a par with any All-Ireland.

Drama is a great medium for building our children's confidence, communication and public speaking skills. Our annual poetry morning brings poems alive through the medium of verse. The Scoil Ailbhe Christmas concerts are renowned for their fun, variety and sheer entertainment. Drama plays a key role in the personal development of our boys.

Computers

Scoil Ailbhe is well-equipped with computers and interactive whiteboards. The school boasts a mobile laptop station. This allows pupils to engage with learning in all curricular areas, using a "hands on" approach.

Staff

Scoil Ailbhe prides itself in its young, vibrant and passionate group of teachers. The staff boasts a wealth of gifts and talents, which are shared to ensure the happiness and success of our children - which goes far beyond the school day.
